

## ***Insurance Information Disclaimer***

It is very important for any dental patient to have some understanding of how dental insurance works. Your employer contracts with an insurance company, the insurance company creates a custom-tailored policy based on what your company is willing to pay as a premium. This policy is unique to your company & specific plan although it may share some similarities to other policies. The insurance company has the ability, based on the legal document “policy”, to pay or not pay any claim at any time or to exclude certain procedures etc to limit their exposure. Their legal relationship is with you the patient and not the dental office which is a third-party provider.

The information is very limited as to what they tell us. We are informed that the information received “*does not guarantee reimbursement.*” We do not receive information on specifics of your individual policy.

Please understand as a patient at Alani Dental Center we do everything possible to ensure that you get your maximum benefit from the insurance. It is important that you understand that when you receive a treatment plan from our office that it is an **ESTIMATE ONLY**. We cannot possibly know all the ins and outs of your insurance policy.

This document is our attempt to avoid any financial misunderstandings.

In the end, you understand you are responsible for anything your insurance company doesn't cover and or pay for any reason.

Our goal as an office is to give you the best treatment possible and meet or exceed your expectations.

By signing this document, I have read and understand the above information.
